Dear Ms. Reardon:

Respondents are respectfully requesting an extension of time for Respondents to file Exceptions to the Decision of the Administrative Law Judge in the above-captioned case. The current due date is December 17, 2018. We are requesting that this due date be extended to Wednesday, January 9, 2019, due to the parties exploring the possibility of settlement. Patty Fedewa Counsel for the General Counsel Region 7, and Angela Walker counsel for Charging Parties, provided us with a summary of alleged damages last Thursday. We need this additional time to understand the computations and specifically, mitigation efforts, to determine whether settlement may be a viable option.

We have contacted both Ms. Fedewa and Ms. Walker to request their concurrences. We will let you know if this request is unopposed as soon as we receive their responses.

Please contact Jon Frank at 248.208.0715 or jfrank@maddinhauser.com or the undersigned, should you have any questions or require any additional information.

Very truly yours,

MADDIN, HAUSER,  
ROTH & HELLER, P.C.
